QUALITY POLICY

It is our commitment that we will provide quality products and manufacturing services that exceed our customers' expectations.

We accomplish this by:

- Maintaining a shared quality vision and a focus on continuous improvement to our products, processes, and services (including delivery),
- Complying with the requirements of ISO 13485, ISO 9001, FDA's Quality System Regulations and other applicable regulatory requirements.
- Providing continuous training of all employees and developing a fully competent workforce that fully understands all customer and regulatory requirements.
